

## **Finishing Team Technician**

AVANTech Incorporated, a rapidly growing technology company with extensive experience in the design, fabrication, and operation of water and wet waste treatment equipment for government and commercial clients, is seeking a **Finishing Team Technician** interested in joining our team in **Columbia, SC**. AVANTech's diverse product portfolio includes traditional water treatment systems as well as specialized systems for selective removal of radioactivity, boric acid purification, and various contaminant of concern applications. The company also has extensive experience in the design and fabrication of modular systems.

Candidates must have a minimum of three (3) to five (5) years' hands-on experience. Applicants must have the ability to read and understand engineering design drawings, sketches, and blueprints, and be able to follow design specifications. A working knowledge of electrical wiring is a plus as well as a working knowledge of instrumentation and controls. Candidates must possess a strong work ethic and a willingness to learn.

Finishing Team Technician job duties include:

- Bending stainless steel tubing for pneumatic airlines and installing on automatic valves
- PVC pipe bonding and assembly based on blueprints
- Performing hydrostatic testing of pressure vessels and piping
- Performing load tests on lift lugs on skids and vessels
- Installing instrumentation on water treatment systems
- Onsite assembly and operation of start-up of water treatment systems

Qualifications include:

- Basic mechanical skills including ability to use power drills, pneumatic wrenches, and overhead crane
- Familiarity with installing instrumentation such as pressure indicators, level indicators, automatic valves, and pumps preferred
- Electrical experience a plus
- Current/valid driver's license and dependable transportation
- Flexibility and attention to detail
- Willingness to travel out of town overnight as needed

At AVANTech, we are energetic and passionate about what we do. We seek qualified candidates who share our vision, values, and commitment to superior customer service to both our internal customers as well as our external customers.

This is a full-time position. Compensation is based on experience and skill level. The successful applicant must be able to pass a pre-employment physical and drug screen. A high level of safe working practices and procedural awareness is necessary.

To apply send resume to:
